Important Notes:

- 1)** Hacettepe University has full authority on evaluation of applications and admission of the applicants. It is at discretion of Hacettepe University to fill the quota. Meeting the application requirements does not guarantee admission to Hacettepe University.
- 2)** YÖS scores (International Student Exam, conducted by Turkish universities) and certificates of secondary education (except those identified hereby) **will not** be taken into consideration.
- 3)** Applicants are not charged any application fees.
- 4)** All documents attached to your application must be certified; except for the copy of Passport and exam score (SAT, ACT).
- 5)** Due to high number of applications, **documents submitted during application will not be returned later.**
- 6)** The email address written in the application form must be used by the applicant actively. Any update regarding your application status will be sent to your email address.
- 7)** Applications will be evaluated by a commission assigned by the Rector of Hacettepe University. **Eligible applicants will be invited for an interview; and then they will be admitted to the programs accordingly.**
- 8)** Board of Hacettepe University reserves the authority to carry out an additional placement, following the admission process. A potential additional placement will be conducted among those who have attended the interview. Applicants who have been invited for interview and not attended will be considered to have waived their right to be admitted.

9) Admissions to Associate Degree programs will be conducted based on the submitted score, and the applicants will not be invited for interview.

10) Applicants applying from Germany must note that those who submit Fachabitur certificate, which is equivalent to vocational/technical high schools in Turkey, will not be taken into consideration.

11) Applicants who apply with Pishdanesgahi scores must note that they need to submit their Debirestan scores, as well. However, they must provide their Pishdanesgahi scores while filling the online application form.

12) It is of great importance for the applicants to check the department they are applying; whether it is an Associate Degree program (offering a two-year education) or an Undergraduate Degree Program (offering a four-year education), as well as the special conditions provided. Durations of the programs are provided in the quotas list.

13) Applicants admitted to a program will be sent an acceptance letter by Hacettepe University, upon request.
